Fadi Wassef

Junior Career Coach

350 EGP/Session

BIO

Fadi Wassef is an accomplished business owner with extensive experience in the retail industry. He has a proven track record of successfully managing and growing businesses while providing excellent customer service. Fadi's skills in communication have been honed through his years of experience working face-to-face with customers and interacting with suppliers and employees. He has also developed a keen eye for operational and planning excellence through his continuous

improvement of business models.

Fadi has extensive experience in warehouse operations and management, ensuring that supplies and inventory are always in stock. He is a highly skilled entrepreneur and possesses fluent language skills, including French, which has opened doors for him to work with the French Embassy.

Fadi is a highly motivated and passionate individual who is dedicated to constantly seeking new ways to improve himself and his business. He has trained many young people on various topics, delivering interactive and engaging training programs both in-classroom and online. As a trainer for the UCCD program with Aspire, Fadi has served over 2000 hours of training, with an average of 1000 students trained. He has also worked as a trainer/facilitator with Aspire in team-building activities for corporate clients.

Fadi's expertise, dedication, and passion have helped him to achieve great success in his business and in his role as a trainer and facilitator. He is committed to helping others achieve their goals and to making a positive impact in the world.

Fadi is also a certified career coach who has worked with clients from various backgrounds and industries. He helps them discover their skills, talents, and interests, and explore their full potential, enabling them to make better-informed career decisions and excel in their chosen fields. Fadi is skilled in guiding clients through healthy career shifts and identifying the best and most suitable career paths for them.

His passion for empowering others to succeed and his ability to help individuals unlock their potential has earned him a reputation as a highly sought-after career coach. Fadi's dedication to his clients' success is evident in the positive feedback he has received from those he has worked with, who have praised him for his professionalism, empathy, and personalized approach to coaching.

Vision of being a coaching provider

To coach individuals, through a journey of self exploration, to reach their career aspirations, realize their life-time purpose and inspire deep lasting transformation in the Egyptian community by helping students in the educational sector or adults in their organizations.

Mission of being a coaching provider

To deliver unrivaled integrated experiences in every career coaching class we implement, using a unique methodology combining knowledge, experience & innovation.

Statement on Ethics, Integrity & Transparency

Aspire's values are providing the following for its clients: Impact, constant improvement, collaboration, daring to be different, accountability & service. Aspire ensures that implementing these values especially in career coaching services is done with strict alignment to ICF code of ethics, providing a high level of integrity and transparency in client relations and in dealing with unexpected and extraordinary situations that might arise. This will ensure that Aspire provides this service in a professional and safe environment; allowing its clients to learn and grow, enabling them to reach their maximum potential.

About The Coaches

Tamer Isaac
Senior Career Coach

Abeer Iskander
Senior Career Coach

Mina Amir

Senior Career Coach

School Objectives

- Understand how to become an effective coach and how does that compare to a counselor, trainer or psychiatrist.
- Understand and apply ICF ethical standards during coaching sessions.
- Learn how to help the client clarify the coaching goal and manage expectations of the coaching relationship.
- Learn how coaches should continuously develop themselves to serve their clients better.
